(Effective as of September 24, 2021)

The Audit Committee (the “**Committee**”) of the Board of Directors (the “**Board**”) of Sarcos Technology and Robotics Corporation (the “**Company**”) shall be appointed by the Board to perform the duties and responsibilities set forth in this charter.

A. PURPOSE

The purpose of the Committee shall be to assist the Board in its oversight of:

1. the accounting and financial reporting processes and internal controls of the Company;
2. the audit and integrity of the Company’s financial statements;
3. the Company’s compliance with applicable law (including U.S. federal securities laws and other legal and regulatory requirements);
4. the qualifications, independence and performance of the Company’s independent auditors; and
5. the implementation and performance of the Company’s internal audit function, if applicable.

The Committee shall also be responsible for preparing the report required by the Securities and Exchange Commission (the “**SEC**”) rules to be included in the Company’s proxy statement for the annual meeting of stockholders, and for performing other duties and responsibilities as are enumerated in or consistent with this charter.

Further, the Committee shall have the power and authority to oversee and assist the Company’s management, advisors, and consultants with respect to exploring, evaluating, and considering potential sales, acquisitions, strategic alliances, joint ventures, minority equity investments, collaborations, partnerships, in-license arrangements, debt, equity or equity-linked and other financings and other transactions involving the Company (collectively, the “**Strategic Alternatives**”), and to take such other actions with respect to any Strategic Alternative as such committee may deem necessary, appropriate or advisable or that may be incidental or ancillary to the duties and authority delegated to the Committee.

The function of the Committee is primarily one of oversight. The Company’s management is responsible for preparing the Company’s financial statements, and the independent auditor is responsible for auditing and reviewing those financial statements. The Committee is responsible for assisting the Board in overseeing the conduct of these activities by management and the independent auditor. The Committee is not responsible for providing any expert or special assurance as to the financial statements or other financial information provided by the Company to its stockholders or others or as to the independent auditor’s work.

B. COMPOSITION

1. Membership. The Committee shall consist of at least three members of the Board. The members of the Committee shall be appointed by the Board upon the recommendation of the

Nominating and Corporate Governance Committee and serve until the earlier of their resignation or removal by the Board in its discretion.

2. Qualifications. The members of the Committee must satisfy the following qualifications; provided, however, that the Company may avail itself of any phase-in rules applicable to newly-listed companies:
 - a. each member of the Committee shall meet the independence standards established by the securities exchange on which the Company's securities are listed and the SEC, as determined by the Board after consideration of all factors determined to be relevant under the rules and regulations of the securities exchange on which the Company's securities are listed and the SEC;
 - b. each member of the Committee must be able to read and understand fundamental financial statements and otherwise must comply with all financial literacy requirements of the securities exchange on which the Company's securities are listed;
 - c. at least one member of the Committee must be an "audit committee financial expert," as defined in Item 407(d)(5)(ii) of Regulation S-K (a person who satisfies the definition of "audit committee financial expert" will also be presumed to have the financial literacy requirements of the securities exchange on which the Company's securities are listed);
 - d. no Committee member may serve simultaneously on the audit committees of more than two other public companies unless the Board, the Chairman of the Board or the Nominating and Corporate Governance Committee determines that such simultaneous service will not impair the ability of such member to effectively serve on the Committee and the Company discloses such determination in its annual proxy statement;
 - e. no person may serve as a member of the Committee if the person has participated in the preparation of the financial statements of the Company or any of the Company's current subsidiaries at any time during the past three years; and
 - f. any other criteria required by applicable law or the rules and regulations of the SEC, the securities exchange on which the Company's securities are listed and such other qualifications as may be established by the Board from time to time.
3. Chairperson. The Board may designate a chairperson of the Committee (the "**Chairperson**"). The Chairperson of the Committee (or, in the Chairperson's absence, a member designated by the Chairperson or the Committee) shall preside at each meeting of the Committee, set the agendas for the Committee meetings and report regularly to the Board regarding the Committee's activities. In the absence of that designation, the Committee may designate a Chairperson by majority vote of the Committee members, provided that the Board may replace any Chairperson designated by the Committee at any time.

C. **RESPONSIBILITIES**

The following are the principal recurring responsibilities of the Committee. The Committee may perform other functions that are consistent with its purpose and applicable law, rules and regulations, and

as the Board or Committee deem appropriate. In carrying out its responsibilities, the Committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances.

1. Appoint and Oversee Independent Auditor; Approve Audit and Non-Audit Services. The Committee will be directly responsible for appointing, compensating, retaining, evaluating and overseeing an independent registered public accounting firm to act as the Company's independent auditor for the purpose of auditing the Company's financial statements, books, records, accounts and internal control over financial reporting, and, where appropriate, replacing the independent auditor. The Committee shall also appoint, retain, compensate, oversee and, where appropriate, replace any other registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. Each such independent registered public accounting firm shall report directly to the Committee. In particular, the Committee shall:
 - a. have the sole authority and responsibility to select, retain, compensate, evaluate, oversee, and, where appropriate, terminate and replace any independent registered public accounting firm engaged to prepare or issue an audit report or perform other audit, review, or attest services for the Company;
 - b. at least annually, receive an audit engagement letter and either execute it on behalf of the Company or, if the Committee or its chairperson are not appropriate parties to sign the letter, acknowledge the letter and agree to the terms of engagement;

 - d. in accordance with applicable law, adopt policies and procedures for the Committee's pre-approval, including delegation to one or more members of the Committee, of the engagement of the Company's independent auditors or other registered public accounting firms to perform permitted services on an ongoing basis; and
 - e. review and resolve any disagreements that may arise between management and each registered public accounting firm.
2. Evaluate the Independence and Qualifications of the Independent Auditor. The Committee must ensure the independence of the independent auditor. The Committee shall, at least annually, obtain and review a written report by the Company's independent auditor describing:
 - a. the independent auditor's internal quality control procedures;
 - b. any issues raised by the most recent internal quality control review, or peer review, of the independent auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditor, and any steps taken to deal with any such issues; and

- c. all relationships between the independent auditor and the Company, in order to assess the independent auditor's independence.

The Committee shall review and discuss with the independent auditor the written report, any other matters required by the applicable requirements of the Public Company Accounting Oversight Board or other regulatory body and any relationships or services that may impact the objectivity and independence of the auditors.

After reviewing the foregoing report, other written disclosures or relevant relationships or services, and the independent auditor's work throughout the year, the Committee shall evaluate the independent auditor's qualifications, performance and independence.

In making its evaluation, the Committee shall take into account the opinions of management and, when the Company has an internal audit function, the opinions of the Company's internal auditors (or other personnel responsible for the internal audit function). This evaluation shall also include the review and evaluation of the lead partner of the independent auditor. The Committee will assure the regular rotation of the lead audit partner at least once every five years as required by law, and shall consider whether regular rotation of the audit firm itself is necessary to assure continuing auditor independence.

The Committee shall present its conclusions with respect to the independence and qualifications of the independent auditor to the full Board.

3. Review of Internal Controls and Integrity of Financial Statements. The Committee shall meet with management, the internal audit department, if applicable, and the Company's independent auditor to review and discuss the Company's internal controls and the integrity of the Company's audited financial statements.  - c. the results of the independent audit and the quarterly reviews, and the independent auditor's opinion on the audited financial statements;

- h. the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company; and
- i. any audit problems or difficulties the independent auditor encountered in the course of its audit work, including any restrictions on the scope of the independent auditor's activities or on access to requested information, and any significant disagreements with management.

Among the items the Committee shall review with the independent auditor are: accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise); any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and any "management" or "internal control" letters issued, or proposed to be issued, by the independent auditor. Such review shall also include discussion of the responsibilities, budget and staffing of the Company's internal audit function when the Company has an internal audit function.

8. Conflicts of Interest. The Committee shall review and monitor compliance with the Company's Code of Business Conduct and Ethics and consider questions of actual or possible conflicts of interest of Board members and of corporate officers and approve or prohibit applicable transactions or matters.

This shall include discussion of the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Committee shall also oversee and monitor management's plans to address such risks. In connection with its review of enterprise risk, management's assessment thereof and any draft risk factors presented by management, the Committee is entitled to rely on management's identification and assessment of the operational, financial, strategic, regulatory and other risks described.
